Provide a detailed description of information you are looking for. Keep in mind that the BOARD does not hold any construction or development responsibilities or abilities. The BOARD also does not have any control or approval from the City of Port St Lucie related to construction or development requirements. The PUD and all amendments to the PUD have been executed between the City of Port St Lucie and the Developer. The BOARD has not had any agreements with the City, the developer or any builders. As such, the Board can only communicate information that is known from the developer, the builders or the City of Port St Lucie. Participation in Board meetings is highly encouraged as the Board shares all known information during board meetings.
