How to access the development through the gate system

Residents who have a gate remote.

1. Drive your vehicle into entryway and point your remote/ clicker at the gate, then push the button on the remote/clicker. Wait for the gate to open, then proceed.

Guest of a Resident

1. Drive your vehicle into entryway and stop at the call box. Scroll on the **“A” to “Z”** screen to find the resident’s name that you are visiting. When the name appears in the window screen, push the call button. Wait for gate to open then proceed.

How to let someone in

1. When your phone rings and you have a guest at the gate, you only need to push the number **“9”** on your phone keypad then release, and the gate will open for your guest.

In case of injury or emergency **dial 911** from your phone. If the gate is damaged please report to Watson Association Management by calling 772-871-0004. Weekends and after business hours leave a voice message with your Name and the Name of the community you are reporting or leave a message with our answering service.
