If submitting a new Benjamin Moore paint color, please submit **1** paint chips of the new color.

As required by the Documents for the Association, all improvements must be in accordance with the terms and conditions of the ARC approval or disapproval. All work shall commence within 90 days of approval. Any changes or modifications must be submitted to the ARC for consideration. Any unapproved or non-complying improvements may be subject to enforcement procedures, including, but not limited to the demand for removal, imposition of fines, and/or legal injunctions. Any damages to common areas, adjacent homeowners' properties or applicant's own property caused during construction, included but not limited to sprinklers, turf, pipes, drainage swales, roadways, sidewalks, etc., must be returned to pre-construction condition at the expense of the applicant homeowner. All such repairs must be completed within 30 days of final inspection and/or substantial completion of the project. This also includes the removal of any stains on streets or sidewalks from leaking oils, paint, chemicals, etc. Please ensure that your contractor is aware of these requirements.
