Dear Ms Papadimitriou:

**Subject : Notice Of Inspection, Environmental
SAVANNA OAKS
Permit No. 43-01546-P, Application No. 030612-7
Martin County, S21/T37S/R41E**

This letter is written as follow-up to a September 27, 2013 post monitoring inspection of Permit No. 43-01546-P. The purpose of the inspection was to check the condition of the onsite wetland preserve area and insure that perpetual maintenance and management is being conducted. The inspection revealed that the wetland preserve area was in good condition and that nuisance and exotic vegetation maintenance had been conducted as requested.

Please be advised that management and maintenance of the wetland preserve area is perpetual per permit conditions. Regular inspections will be conducted in the future to insure that the wetland preserve areas are being adequately managed and maintained.

The District appreciates your efforts to maintain compliance with the environmental conditions of the permit. Please be advised that this notice pertains only to the environmental condition(s) of your permit.

Should you have any questions or require further assistance, please contact me at (561) 682-6738.

Sincerely,

R. Brent Nicholas
