

Dear Stuart West Owners,

Due to an error in the mailing of the notice for our annual meeting, our association attorney has advised the board of directors that the election process needs to be restarted. Sometime in the next 10 days, you will receive a notice of the rescheduled meeting date. This meeting will be held at least 60 days after that notice. Any eligible person who wishes to run for a director position will need to submit a new intent to run form which will be included in the mailing along with instructions for how to submit the form and resumé. The board appreciates your patience as we work through this transition to our new management company.

Our new management company, Watson Association Management, is compiling a database of email addresses as a primary method of communicating important community information such as the above notice. You can help by completing the form below and returning it to the guard house or mailing to:

Watson Association Management  
430 NW Lake Whitney Place  
Port St. Lucie, FL 34986

With warmest regards,

The Board of Directors of Stuart West POA

*Thank you so much for your help!*
