

Air Conditioner (AC) Fence Specification Sheet

The fence must be of the same type & size as the one shown. It can be purchased through Amazon or other retailers. The manufacturer is Zippity and the model number is ZP19014. Two of the panels are used to enclose the AC units.

The fence posts must be cemented in the ground and the unit should be secured to the home with an angle bracket.

- Privacy screen is completely solid for maximum privacy
- Not Only will this screen hide your unmentionables, but it will also add curb appeal to your home
- Crafted with Premium PVC vinyl, this privacy screen looks the same from both sides
- To install, simply drive the included stakes into the ground using a sledge hammer
- Set includes 2 sections to make a right angle. Not recommended for side by side installation unless you use concrete to cement into the ground.
- To install on a concrete surface, omit the included ground stakes and purchase galvanized L brackets separately. Two L-brackets suggested for each post.
- NOTE: Kindly refer the INSTALLATION MANUAL which is available below for guidance
