## INTRODUCTION

Monterey Yacht and Country Club is an "active adult community," requiring that at least one occupant of each unit be fifty-five years of age or older. Monterey was established as a condominium, a self-governing body with authority vested in the owners. Each occupant is entitled to the full use of his/her unit and of the common facilities, but such use must not conflict with the rights of other residents, create safety hazards, or expose the Association to liability or additional expense.

Rules and regulations are necessary to ensure harmonious living and to protect and enhance each owner's investment. Any activity or usage not specifically mentioned in these Rules and Regulations nor in Association Documents or Resolutions is expressly prohibited unless specific permission is granted by the Board of Directors in writing. Through a formal decision by the Board of Directors, a rule governing a particular situation can be added, amended, or discontinued. These Rules and Regulations may be supplemented by Monterey committees for specific activities and usages, provided such committee rules are not in conflict with Association documents or the basic rules and regulations herein.

Detailed information concerning Monterey's rules and regulations can be found in the Governing Documents, Resolutions, and Minutes from meetings on the website [Mycstuart.com](http://Mycstuart.com)

## OWNER, RENTER, and GUEST DEFINITIONS

This Owner is defined by submitting the Designated Owner Form. Additional occupants are defined by the fair housing and civil rights acts and more specifically by Martin County Ordinance- 21.262.B.

No more than two persons per bedroom are allowed.

If the unit is titled to a corporation, the officer approved for occupancy shall be designated "Owner."

*For a more detailed statement on occupancy, see Amended and Restated Declaration of Condominium, Article XI: Occupancy and Use Restrictions.*
